Overview

This one-day introduction to Dynamics Sales course is aimed at delegates who are completely new to the Dynamics system. The course covers logging into a Dynamics online platform, navigating the screens, searching, finding and creating records, as well as exporting to Excel and using the Dynamics 365 App for Outlook.

Following this course delegates may look to expand their Dynamics 365 Sales knowledge and take course MB210 Dynamics 365 Customer Engagement for Sales

Prerequisites

Important - This course has MFA Requirements. Please read this link and download the MFA app, prior to attending.

Instructors will demonstrate features throughout the event. Optional Lab exercises are available for learners to complete within a learner-created free trial tenancy. Microsoft may require a valid credit card to create 30 day free tenancies which must be cancelled within 30 days to avoid incurring charges. QA have no control over the Microsoft 365 trial tenancy signup or billing process.
