ITIL® 4 Strategist: Direct, Plan and Improve Training

Duration: **3 Day**

BİLGİNÇ IT Academy
info@bilginc.com
bilginc.com

The training is an essential module for both the **ITIL® 4 Managing Professional (MP)** and **Strategic Leader (SL)** certification paths.
It equips professionals with **practical skills to establish a learning and improving IT organization** with strong strategic alignment and agility.

This course bridges **strategy, governance, risk, compliance, continual improvement, and change management** — helping organizations plan and deliver sustainable IT service value.

Key Benefits

- Integral module for **ITIL Managing Professional & Strategic Leader** paths
- Gain a deep understanding of **strategy, governance & continual improvement**
- Apply ITIL® principles to real-world service management
- Earn a globally recognized **PeopleCert certification**

Bilginç IT Academy is an officially **Accredited Training Organisation (ATO)** by **PeopleCert**, the global leader in professional certification and exam delivery.
As an authorized PeopleCert partner, we deliver accredited training and official certification exams for **ITIL®, PRINCE2®, DevOps, and other PeopleCert-certified programs**, ensuring our learners receive globally recognized credentials with the most up-to-date curriculum.
