Overview

The training is a globally respected leadership qualification,
designed for managers and professionals who want to enhance their ability to coach and mentor others effectively.

This course builds a foundation for developing a**coaching culture** within organizations,
helping leaders improve communication, empower teams, and drive performance through structured development conversations.

Throughout the program, participants engage in:

- **18 hours of practical coaching** with 2–3 coachees,
- A **5,500-word written assignment**,
- A **coaching portfolio**, and
- A **reflective journal** documenting their growth as a coach.

All written submissions are formally assessed by**ILM (Institute of Leadership & Management)**.

This ILM-accredited qualification empowers professionals to become effective, ethical, and reflective coaches.
Upon successful completion, delegates earn the**ILM Level 5 Certificate in Coaching and Mentoring**, recognized internationally as a mark of professional excellence in leadership and people development.

Who Should Attend

- Managers with responsibility for developing others
