Overview

Attain and master essential core skills associated with successful business management.

Learn and practice foundational management skills and prepare for the AMA Certified Professional in Management™ exam. In this course, you will explore the skills required for well-rounded, successful managers in today's business environment.

These skills are based on the comprehensive Management Body of Knowledge. You'll gain a thorough preparation for taking the exam which can qualify you to be designated as an AMA Certified Professional in Management™.

You will also get interactive practice applying your new knowledge and skills through a wide variety of hands-on activities.

Free hard copy of The Management Body of Knowledge-Included with Registration!

Who Should Attend?

The Certified Professional in Management Program offered by AMA will benefit career managers seeking to demonstrate their management competency to employers to help increase opportunities for professional advancement.
