Overview

***Please note there is an approval process for each JAMF course. the delegate does not have a confirmed place on the course until they have been approved. Therefore we can't guarantee that delegates will be able to book onto their prefered date as this is subject to approval.**

The Remote Jamf 400 Course is the fourth in a set of sequential training course offerings concentrating on the automation functions of Jamf Pro. Our hands-on, scenario-based course environment is the best way to ace Jamf Pro.

Prerequisites

Prerequisites:

- Earned Jamf Certified Admin or Certified Casper Admin (version 9)
- Previous Jamf Certified Expert or Certified Casper Expert certification (version 9)
- Basic scripting knowledge including variables and if statements
