AR810 - SAP Ariba Strategic Sourcing and Procurement: Reporting Training

BILGINÇ IT Academy
info@bilginc.com
bilginc.com

Duration: **1 Day**

The **SAP Ariba Strategic Sourcing and Procurement: Reporting Training** course enables participants to make effective use of SAP Ariba's integrated **reporting capabilities** to support informed decision-making.

Throughout the course, participants learn to work with **prepackaged and custom reports**, develop **multi-fact reports** that combine information from different data sources, and build **compound reports** for more advanced reporting requirements. The training also explores methods for exporting reports and sharing reporting results with relevant stakeholders.

Software Release

SAP Ariba – Release 2608
