Overview

Gain the confidence and expertise to effectively audit Quality Management Systems (QMS) according to internationally recognized best practices.
This CQI and IRCA Certified course (Ref. No. 17955) enables you to conduct, lead, and manage audits based on ISO 9001:2015 — the world's most recognized quality standard.

Over five days, you'll be guided through the **complete audit process** using ISO 19011:2018 "Guidelines for Auditing Management Systems".
Learn to plan, perform, report, and follow up on audits that drive continuous improvement and enhance organizational performance.

You will consolidate your auditing skills, interpret ISO 9001:2015 requirements in practice, and gain the ability to lead audit teams with confidence.
At the end of the course, you will undertake a **2-hour written exam** to demonstrate your understanding.

Key Benefits

- Gain internationally recognized auditing credentials (CQI & IRCA)
- Master the audit process from start to finish
- Strengthen organizational quality performance
- Build confidence to lead and manage audit teams

Bilginç IT Academy is a **recognized official training partner of PECB (Professional Evaluation and Certification Board)**.
Through this partnership, we deliver **globally accredited PECB-certified training programs**, enabling professionals to gain international recognition and practical expertise in areas such as Artificial Intelligence Management, Information Security, Environmental, and Quality Management Systems.
