Duration: **2 Day**

Overview

Successful business relationships often depend on effective negotiation skills. Whether in sales discussions, supplier agreements, project management, or internal collaboration, strong negotiation abilities help professionals achieve sustainable and mutually beneficial outcomes. Negotiation Skills training helps participants improve communication, persuasion, and strategic negotiation capabilities.

Negotiation Skills training offered by Bilginc is designed for professionals who want to strengthen negotiation techniques, improve business communication, and create win-win outcomes in professional environments.

What is Negotiation Skills Training?

Negotiation Skills is a professional development program focused on managing negotiation processes effectively in business environments. Participants gain practical knowledge in preparation strategies, communication methods, persuasion techniques, and conflict management.

Benefits of Negotiation Skills Training

- Improves negotiation capabilities
- Strengthens communication and persuasion skills
- Enhances professional relationships
- Supports conflict management
