

BCS Solutions Development Oral Examination Preparation Workshop

Learn via: **Classroom / Virtual Classroom / Online**

Duration: **1 Gün**

Overview

Bu atölye çalışması, katılımcıları Çözüm Geliştirme Sözlü Sınavı'na hazırlamak amacıyla tasarlanmıştır. Sözlü Sınavda elde edilecek başarı, katılımcıya Çözüm Geliştirme BCS Diploması'na ulaşma imkanını sunmaktadır.

Prerequisites

Delegates should have passed each of 4 written examinations as specified by the BCS requirements for the Solutions Development Diploma scheme. Ideally delegates will have registered to take the Oral Examination.

Outline

The workshop is a loosely structured day with an interactive style, which will cover the following topics.

- Introductions and overview of the workshop
- Main features of the Oral Examination - process and content
- Review of ISEB's guidelines for the Oral Examination
- Review of the Oral Examination Syllabus - mandatory topics
- Review of the Knowledge based specialism subjects applicable to the delegates in the workshop
- Review of the Practitioner specialism subjects applicable to the delegates in the workshop
