Overview

Course based on software release:

- SAP S/4HANA 2021 FPS0

Notes:

- IF you want to continue your learning path and deepen your knowledge, please consider attending the following course:
  - S4F61 'Implementing SAP S/4HANA for central finance'.
- The formerly known course 'S4F04 SAP Central Finance' (5 days) is replaced by the following two courses:
  - S4F60 'Overview SAP S/4HANA for central finance' (1 day)
  - S4F61 'Implementing SAP S/4HANA for central finance' (5 days)

Prerequisites

Essential

- You should have basic knowledge of Finance in SAP ERP or SAP S/4HANA

Recommended

- Ideally, you have an associate level of knowledge of Financial Accounting or Management Accounting on SAP ERP and also on SAP S/4HANA.
- FI/CO solution architect
- FI/CO application consultant

Who Should Attend

- The course is aimed at solution architects and project leads who are new to SAP S/4HANA for central finance and want to achieve required overview knowledge on the concept, architecture and the business capabilities of this solution. This course aims to provide you details on what you need to know before you start with a SAP Central Finance Project.
- Furthermore, this course is also aimed at learners who want to go beyond this goal and plan to take the full learning path for SAP S/4HANA for central finance potentially completing it by taking the associate certification for SAP S/4HANA for central finance. For this group, the overview course is the right starting point. As this course provides the business background and the value of Central Finance, it is a prerequisite for the implementation course (S4F61).
