Overview

OffSec LearnOne is ideal for anyone looking to start their cybersecurity journey or work through any of our courses. Having access to labs for one full year allows the flexibility to balance life and learning while reducing stress and time pressure on learners.

You will be give instant access to your LearnOne subscription, they have the option to join an OffSec instructor for a one day OffSec Learn platform tour, hear the tricks and tips to thrive within the OffSec Learn environment and how to 'try harder' to eansure maximum success when challenging for the OffSec exams.

New content is added monthly and two exam attempts means that a learner has another chance at success. The LearnOne subscription also includes unlimited access to fundamental learning paths, and 100-level content.

What's included in a Learn One subscription:

- 1 year of access to the course of your choice
- 2 exam attempts during your subscription
- 365 days of lab access
- 1 year of unlimited access to all fundamental content and OffSec curated Learning Paths
- PEN-103 + 1 KLCP exam attempt*
- PEN-210 + 1 OSWP exam attempt*
- Proving Grounds Practice labs
- 1 download of course material

*These are included as an extra in addition to your two exam attampts for your chosen course.

Prerequisites

Our pre-requisite courses PEN-100, SOC-100 and WEB-100 are all included with a learn subscription.
